

CASPIAN AGRO

The International Agriculture, Food Processing and Packaging Exhibition

Ladies and gentlemen,

Distinguished businessmen and company directors!

It's with great pleasure and participation that we welcome "Caspian Agro", the 2nd International Agriculture, Food Processing and Packaging Exhibition.

It is not only a prestigious show, qualified by international attendance, but it also represents both an important business opportunity and a meeting point between different cultures and experiences.

In this sense, our patronage and the sponsorship of the Ministry of Agriculture are strongly felt towards an exhibition which will enable us to explore "new frontiers" of the agricultural world: from the production to the processing, from the packaging to the preservation.

We hope that this event will become a traditional point of reference for an ever-increasing number of operators.

I invite you all to participate in "Caspian Agro" Exhibition in Azerbaijan held with the official support of the State.

I would like to bring to your notice that you are going to enjoy vast opportunities to make investments, to establish business relations and to cooperate under beneficial conditions.

I wish and hope to see you in the "Caspian Agro" International exhibition in Baku .

Sincerely,

Ismat Abbasov

Minister of Agriculture of the Azerbaijan Republic

6-9 October in Baku will be held Caspian Argo the international exhibition in the Sport Concert Complex by name H. Aliyev.
